## BOOKS FOR AFRICA

**Vet Books for Africa have finally received the books.** This marks the completion of a long term project of IVSA that couldn't have been possible without your support. I would like to thank the WSAVA Foundation for its contribution to this project and assistance every step of the way. We've successfully delivered over 400 books to Vet Books for Africa which will eventually be distributed to students, faculties and animal rehabilitation centers in need of them.

Thank you once again and I hope to continue to work with WSAVA Foundation in the future.

The poster features logos for WSAVA Foundation, BSAVA, and IVSA at the top. The main title is "VETBOOKS FOR AFRICA" in large, bold, blue letters. Below the title is a photo of a woman holding a book. To the right of the photo is a text block: "The British Small Animal Veterinary Association (BSAVA) donated over 400 books to the DF. IVSA, in collaboration with the WSAVA Foundation, has successfully delivered these books to Vet Books for Africa, a long time partner of IVSA who will distribute these books to underprivileged students, faculties, clinics, and animal rehabilitation centers across Africa." Below the text is a yellow "THANK YOU!" button. At the bottom are social media icons for LinkedIn, Facebook, Instagram, and Twitter, along with the website URL www.ivsa.org.
